1. On 20 July, we suggested in FH-993 that ☐ ☐ book be condensed and distributed by us, and received your approval in WASHG 18654. ☐ ☐ in compliance with this message, directed the staff of OKBACON to prepare a condensed version, and is now in the process of having it printed by DTIDIOT. Since this version naturally is in the SGCIDER language, we would prefer to go ahead with it, rather than translate the version sent to us by you, which is in English.

2. A possible utilization of the English condensation would be for ☐ ☐ to accept it direct from ☐ ☐ translate it, and distribute it semi-overtly through SGWINTER, preserving the OKBACON version for our covert use. We will not proceed along this line, however, until the question of copyrights is clarified.
